Hello! A universe without the **Daleks** is almost as hard to imagine as one without the Doctor. This issue, we look at **10 of their best-ever encounters** – did you know that the Doctor's met them more than any other monster? We also go behind the scenes on *Doctor Who* to find out how **Planet of the Dead** was made. See you next week!

1

GO ONLINE:
Log on to www.doctorwhopromo.co.uk, enter your details, choose your card design and pay £2.49 to cover the cost of secure postage and packaging.

2

BY POST: You can send a cheque for £2.49 for postage and packaging, made payable to **Doctor Who Adventures Offer**, to: **Doctor Who Adventures Offer, The Basement, Woodlands, 79 High Street, Greenhithe, Kent DA9 9RD.** Please state your first choice of card design.

3

OR: Get your free gift by sending a stamped, addressed, padded envelope with £1.08 of stamps on it (UK only), along with your name and address, to the address opposite. It is recommended that you use an A5 envelope as gift items are fragile and could be damaged if standard-size envelopes are supplied. However, failure to supply an A5 envelope will not affect the dispatch of your gift. Please allow 28 days for delivery for this method of responding.

Offer ends **4 June 2009** – while stocks last. Late applications will not be processed and submissions will not be returned. If your first choice of card design is not available, we will supply one of the other designs.

Operation DESERT ST

A doomed shoot?

The cast and crew wondered if their shoot was doomed after a crane dropped a cargo container on top of their bus while it was being shipped to Dubai. To make matters worse, the first day of filming was held up by a real sandstorm!

The script was changed to explain the damaged bus

A tale of two buses

The crew bought **two buses** – one for the shoot in Dubai and one for the shoot in the UK. They weren't identical so they had to **match up** the seats, lights and poles. But when the cargo container destroyed one of the buses, they had to do **the same damage** to the undamaged bus, too, so that they still matched!

Take shelter!

A material called **silicon** was used for the **glass debris**. It was poured into sheet form, then broken up into lots of **little pieces**. A machine blew it into the bus, so it looked just like **shattered glass**!

Luckily, this isn't real glass!

Back in a studio...

LOADS
OF FACTS
EVERY WEEK!

ORM!

Sandstorm!

It was very **windy and overcast** for the first day of the shoot. The cast and crew had **sand in their faces** all day, meaning they could **hardly do any filming!** The **weather was better** for days two and three though – phew!

The crew had to protect their faces from the sand!

Desert skies

When the bus went through the wormhole, you could see the **desert outside the bus window**. This was actually filmed in the UK studio, using a device called a **translight**, which made it look like it was a **real desert outside!**

Rachel Rimmer's
fave scene!

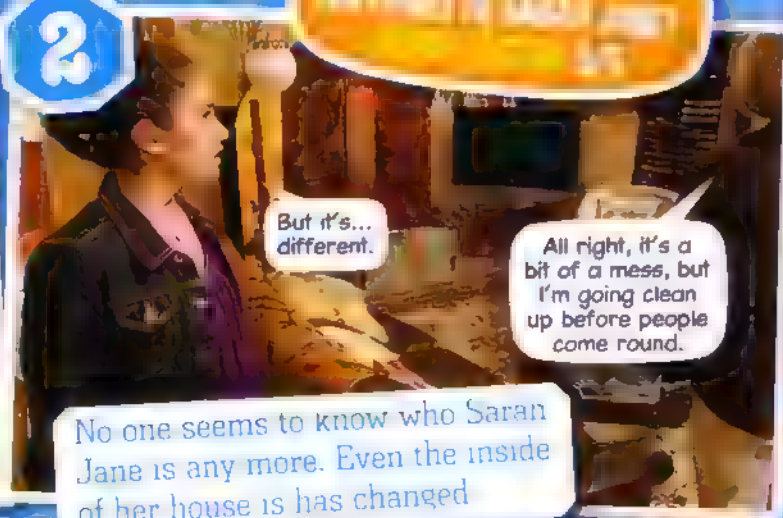

1

This is Sarah Jane's house.

Maria finds a woman called Andrea living in Sarah Jane's house! She has no idea who Sarah Jane or Luke are. What is going on?

2

But it's... different.

All right, it's a bit of a mess, but I'm going clean up before people come round.

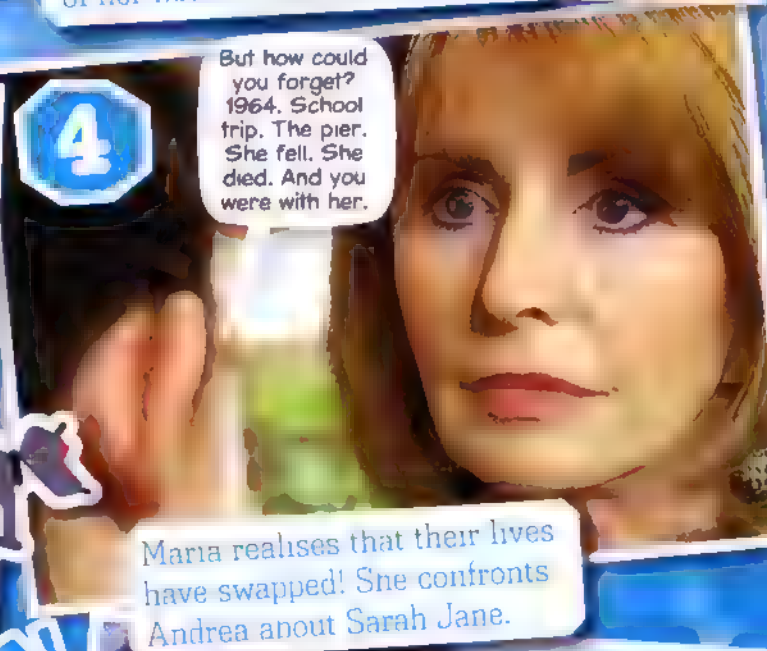

No one seems to know who Sarah Jane is any more. Even the inside of her house is has changed

3

Polgirl Sarah Jane Smith, 13, after falling from the edge of Westport Pier yesterday in a tragic accident, whilst visiting the seaside town on a school trip.

A second girl. Andrea... Maria goes to the library to work out the connection between the two women. She finds a newspaper report but the names keep changing round!

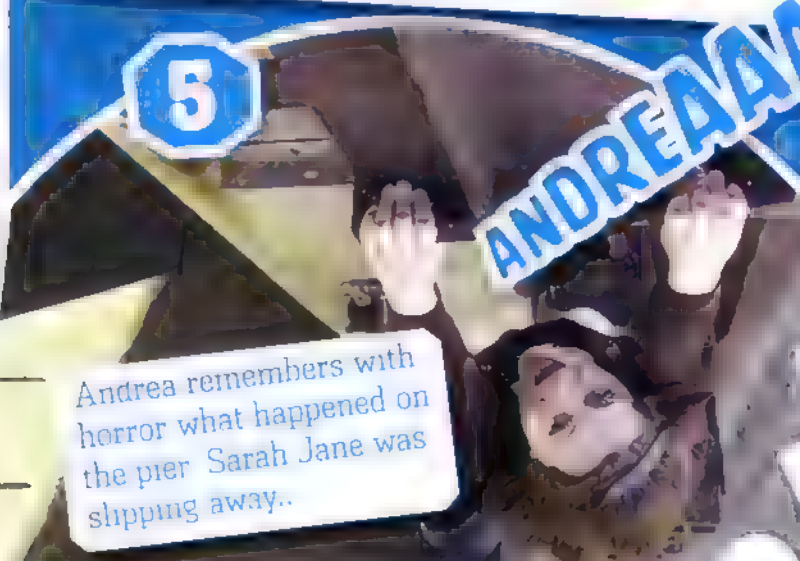

4

But how could you forget? 1964. School trip. The pier. She fell. She died. And you were with her.

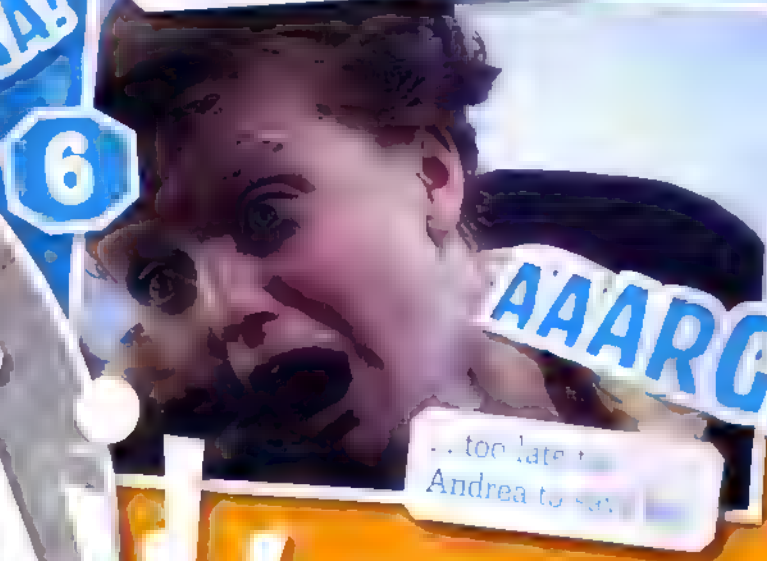

Maria realises that their lives have swapped! She confronts Andrea about Sarah Jane.

5

Andrea remembers with horror what happened on the pier. Sarah Jane was slipping away..

6

... too late + Andrea to see

ANDREA AAAA!

AAARGH

7

Get out of my house!

Panicked, Andrea throws Maria out of the house.

8

I'm gonna work out how time got changed. I'm gonna find Sarah Jane, and then, I'm gonna bring her back, and nothing is gonna stop me.

But not before Maria makes a promise!

9

A shaken Andrea finds a small box. It's identical to one which Sarah Jane gave Maria the night before she vanished!

10

I forgot you. I forgot what I did. All these years, living this life...

You forgot me, Andrea Yates. But I never forgot you.

Suddenly, she sees a haunting figure in the mirror. How is he connected?

11

Maria Jackson... she knows. She knows what I did that day. She's made me remember.

This is the Tracker. He gave Andrea the box on the day of the accident. Andrea wants Maria to forget.

12

First, Andrea Yates, you must separate the child from her father.

The Tracker tells her he can help. But where is Sarah Jane?

MONSTER IDOL

Zed Mantelli here, *live* from Space Station Apple Theta..

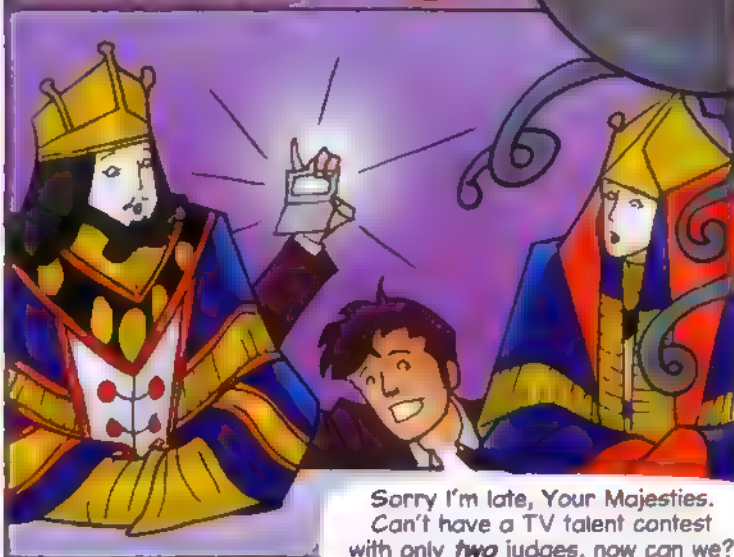

... Where they're queuing round the block for the *Monster Idol auditions* - and the chance to be crowned the most *terrifying* life form in the galaxy!

"Our judges, of course, are the *King and Queen of Meritoria*, who will also be hiring the eventual winners as their *bodyguards*."

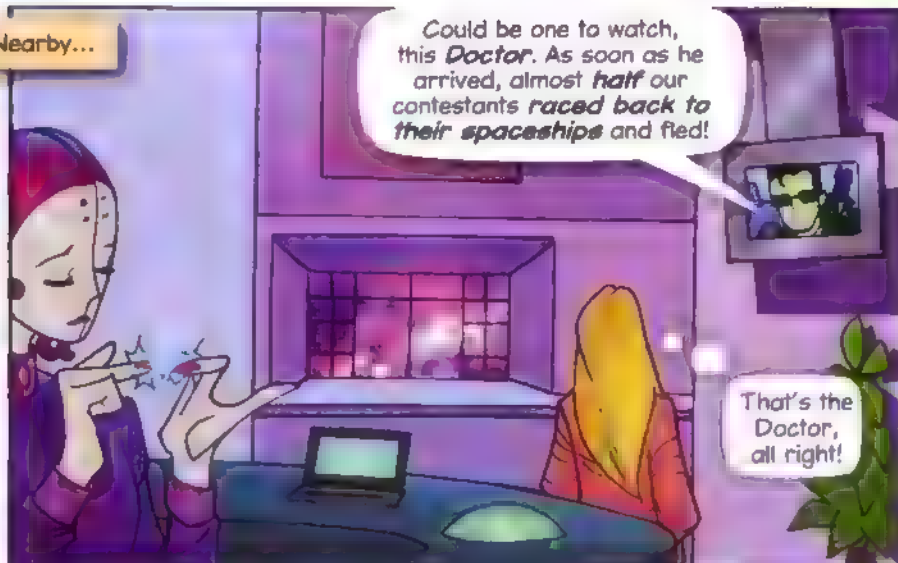

"But... wait a second, I'm getting some *information* in my earpiece..."

"... Yes, yes, it appears we have a *third* judge... a last-minute addition."

Sorry I'm late, Your Majesties. Can't have a TV talent contest with only *two* judges, now can we? I'm the *Dooctor*, and here are my *credentials*.

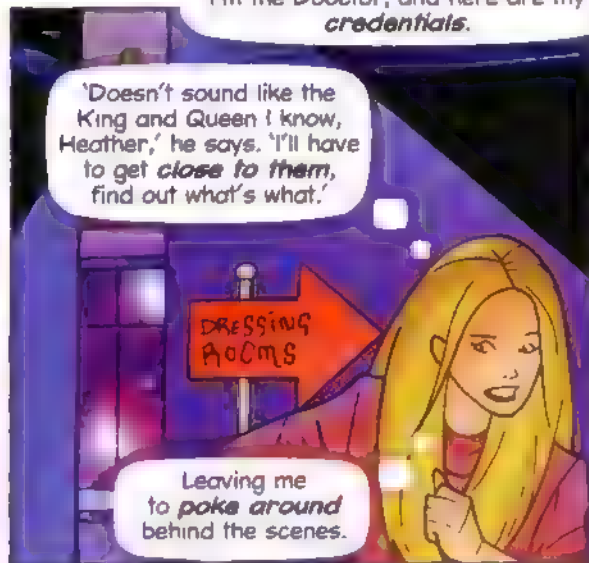

Nearby...

Could be one to watch, this *Dooctor*. As soon as he arrived, almost *half* our contestants *raced back to their spaceships* and fled!

That's the *Dooctor*, all right!

"Doesn't sound like the King and Queen I know, Heather," he says. "I'll have to get *close to them*, find out what's what."

Leaving me to *poke around* behind the scenes.

The contest begins...

I am *Xxharxaxx*, menace of a thousand worlds! My invincible warships are poised to strike at your command. To the battle!

Well, my lady and I are certainly *impressed*. You have our votes. How about *you*, Doctor?

Oh no, no, no. 'To the battle'? That's a *terrible catchphrase*. You need something more memorable.

And *Xxharxaxx*? No-one will be able to pronounce that. I vote *no!*

Outside...

Well, Zed, of course I'm *gutted*. I gave it 110 per cent in there. But I've had a *wonderful day*, and it's the taking part that counts.

Meanwhile...

I'm telling you, it's all *kicking off* back there.

Who put the... er... the *bandersnatches* and the *hippogriffs* in the same dressing room? There was *bound to be trouble*.

That's the *guard* out of the way for a few minutes. Now to take a look inside... *Oh!*

You're the *last* people I expected to find in here!

Back at the auditions...

... And my *special talent* is, I can grow any known disease in my *pustules*, and unleash it upon your enemies!

But pustules are *so* last year, aren't they? And you've got *no nose*! People will laugh. 'How does he smell?' they'll say.

And...

Surely even *you* can't object to this one, Doctor?

But what if it rained? It'd go all *rusty*! And those caterpillar tracks. Seriously, what's the use of a monster that can't *climb stairs*?

But then...

As for *that* one. Clearly, that's just a woman with a *jumper* pulled over her head and a *sink plunger* in her hand.

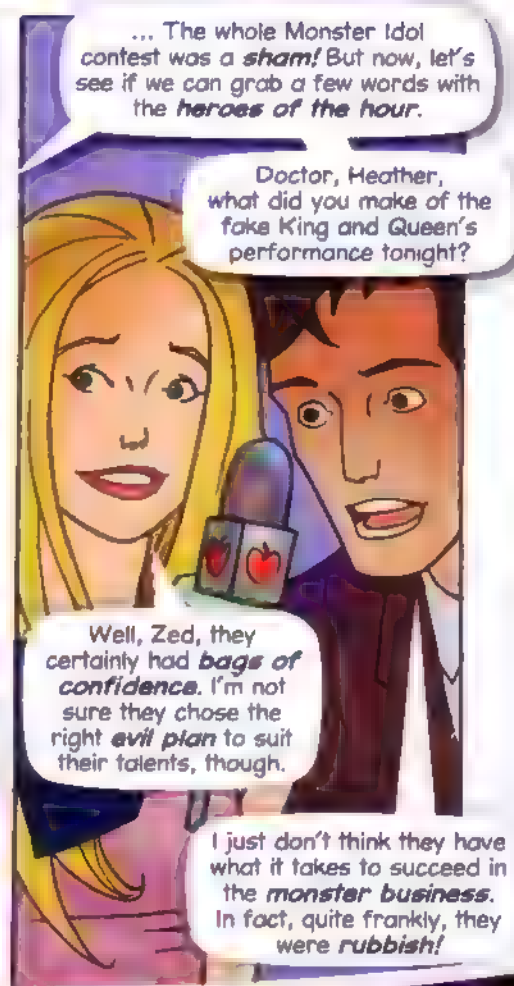

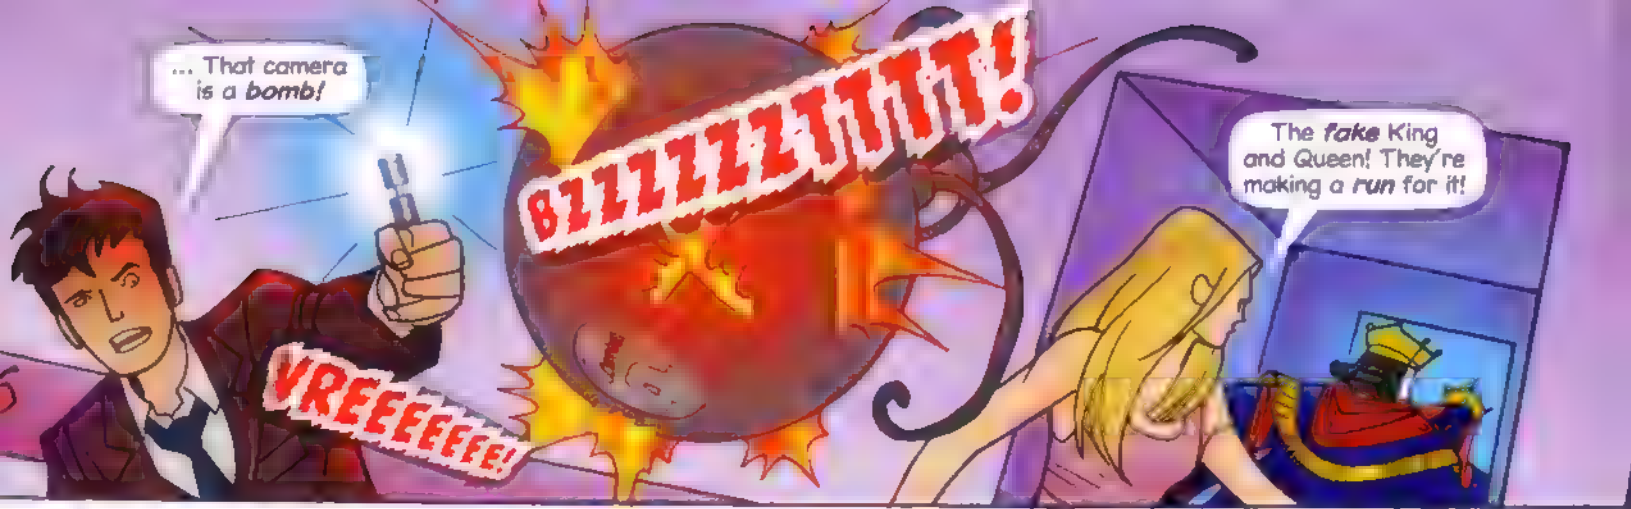

I've seen more terrifying monsters in the queue for the *Post Office*. Hang on, though...

I recognise that jumper... and that hand!

It's me, Doctor, Heather! This was the only way I could get past security to *warn* you...

The King and Queen are *out cold* in their dressing room! This pair are *impostors*!

I knew there was something *fishy* going on! And, according to the sonic screwdriver...

DOCTOR WHO
ADVENTURES

In this week's *Doctor Who Adventures* magazine...

There are two free gifts for every reader – a fantastic Dalek wallet and a memory card stuffed with the coolest *Doctor Who* facts*.

Doctor Who Adventures looks at the top ten deadliest battles between the Doctor and the Daleks. Be prepared for top shocks and loads of screaming Daleks.

We go behind the scenes with *Doctor Who Confidential* to find out what happened when the bus from *Planet of the Dead* was damaged while it was being taken out to Dubai.

All this, plus...

- **Posters:** Chantho, the Doctor and a Dalek, the Ninth Doctor and Rose.
- **K-9 Tales:** What has happened to Sarah Jane?
- **Who's where?:** Can you find the missing UNIT ID cards?
- **Puzzles and competitions:** Fun things to work out and win.
- **Comic strip:** Something strange is happening at the Monster Idol auditions.
- **Subscription offer:** Subscribe today and get a Cyberman stationery set!

Doctor Who Adventures, issue 114, priced £2.10, is out now.

[* The memory card is a send-away offer, postage and packing payable.]

THE DOCTOR VS THE DALEKS!

Hello Time Agent,

The **Daleks** are one of the **Doctor's biggest enemies** - they've battled against **every Doctor**, and just when you think they've been banished forever, they appear yet again! Read our **top 10 deadliest Doctor Vs Dalek battles** in this week's issue.

Keeping with the Dalek theme, we've got a wicked free gift for you - a **Dalek wallet**. Make sure they don't try and exterminate your pocket money! We've also got an extra gift for you - a **Doctor Who Adventures memory card**. It's full of fact files, puzzles and special downloads! There are three easy ways to get one. Just follow the instructions in the magazine and the memory card will be yours!

You can read up on a fantastic new **Doctor Who** story, **The Eyeless**, voiced by **Russell Tovey**, who played Midshipman Frame in **Voyage of the Damned**. We're giving away 10 copies in a competition, too! There are posters of **Chantho**, the **Tenth Doctor with a Dalek** and **Rose with the Ninth Doctor**, as well as a hilarious new comic strip, **Monster Idol**. Also, see if you can find all of the missing UNIT ID cards hidden in the gardens of Buckingham Palace, before the monsters get them, in **Who's Where?**

Plus, we go behind the scenes on **Planet of the Dead** and find out why the shoot didn't go exactly according to plan!

Do you have a **fave scene** from that episode? The flying bus, the Stingrays bursting through the wormhole, or Christina stealing the Cup of Athelstan, perhaps? If so, we'd love to hear from you and you might even appear in a **future issue** of the mag. Just think **how cool** that would be! Email us your fave scene and a clear photo of yourself to dwa@bbc.co.uk and put **Tales from the TARDIS** in the subject line.

See you next Thursday!

The DWA Team

DID YOU KNOW?

Clones smell different to normal humans. As soon as the Doctor gets a whiff of **clone Martha** he knows she's really a spy and not the real deal!

TIME AGENT UPLOAD

Please keep sending us your letters and pictures of your favourite monsters and characters from **Doctor Who**. Email us at dwa@bbc.co.uk, putting **UPLOAD** in the subject line - we read every letter!

WHO KNOWS!

Confused by something or want to know more? Email all your **Doctor Who** queries to us at dwa@bbc.co.uk, putting **WHO KNOWS!** in the subject line - we'll print answers to the best ones we get.

SUBSCRIBE TO DOCTOR WHO ADVENTURES

Collect every issue of your favourite magazine and save money, too! Subscribe today and you can save over £40 on the shop price of *Doctor Who Adventures*.
